The Bishop will celebrate 5:00 P.M. Mass for the closing of the National Eucharistic Revival. Refreshments will be served in our hall following Mass. Since this is a diocesan event, priests, deacons, religious, and lay representatives from throughout the diocese will be present. Bishop Mark extends a special invitation to all Extraordinary Ministers of Holy Communion, Altar Servers, and 2025 First Communicants from around the diocese to be recognized at the closing Mass.

Vocations

Loving and Generous God, it is You who call us by name and ask us to follow You. Help us to grow in the Love and Service of our Church as we experience it today.

Give us the energy and courage of Your Spirit to shape its future. Grant us faith-filled leaders who will embrace Christ's Mission of love and justice.

Bless the Church of Altoona-Johnstown by raising up dedicated and generous leaders from our families and friends who will serve Your people as Priests, Brothers, Sisters, Deacons and Lay Ministers.

Inspire us to know You better and open our hearts to hear Your call. We ask this through Christ our Lord. Amen.

Our parish, along with other Altoona parishes, will be collecting cereal on the weekend of June 28th and June 29 to benefit the hungry children in the Altoona area. Please place your donations in the boxes that will be available at all entrance. While children may be eligible for free lunches at school, a large number arrive in the morning without breakfast. The cereal goes to the St. Vincent DePaul Food Pantry.

The 2025 Catholic Ministries Drive target for Cathedral is \$51,400. Please be supportive. This year's Theme is "Follow Me" (Mt. 16:24).

Since the diocese is extremely supportive of Cathedral parish, it is important for us to support diocesan sponsored ministries.

\$39,500 has been either pledged/donated from 117 parishioners. We have reached 76% of our target. Thank you for participating. If you haven't already done so, please help us reach our target.

2031 will mark the 100th anniversary of our cathedral's dedication. The diocese has a local engineering firm coordinating the evaluation, by several additional firms, the extensive work that needs to be done: to the dome, roof, exterior masonry, stained glass windows, accessibility issues, general improvements, mechanical and electrical, painting, and eventual organ repairs.
